

Knight's Marshal Reference Guide
Barony of Namron
Frú Kolfinna Egilsdóttir, April 20, 2020

Congratulations on your selection as the Knight's Marshal for the Barony of Namron, and thank you for volunteering to serve our Populace! As a new officer, there are quite a few administrative tasks to become familiar with. This document should help you get started, and keep you on track throughout your term of office. Please send any suggestions for improvement of this document to the local Senescal so we can maintain a useful resource for our Knight's Marshals.

This list may seem daunting at first, but most actions will quickly become second nature, or may need to be completed only once, or infrequently. Some can be delegated to a Deputy. Several of the items are specific to our barony only. If you need assistance or accommodations to complete the duties of your office, please notify the Seneschal. This document should serve as a starting point for a new appointee as the Knight's Marshal, but is not implied to be inclusive of all possible responsibilities.

How to Resign

The initial warrant of your position is six months, extendable in six-month increments up to two years. Depending on when you take office, the two-year limit may be slightly reduced or extended to align with the Round Table schedule. Check with the Seneschal for details. If you would like to remain in your position longer than two years, contact Their Excellencies to initiate the approval process.

If a personal situation arises that necessitates your immediate resignation, a Deputy can be activated to serve as Marshal until the position is filled by the standard application process.

If you are nearing the end of your term, and are ready to step down, we request 60 days notice so we can offer an appropriate application and selection period.

If at any time, you decide that the time is right to resign, please do so. This is a strictly volunteer position, but can occasionally be stressful and time-consuming, and your personal life and enjoyment of the SCA is important.

Thank you again for your service to The Dream!
