Unto the Populace of Northkeep, Chemin Noir and Wyldewode, Greetings!

The revel in Wyldewode, though hot, was a huge success. Thanks to everyone who braved the heat and went. Due to the heat and not feeling very well, we regret that we did not make it out ourselves. We want to thank Ld Claybjorn Gunderson, Ly Thora of Raven Hall and Thorn Claybjornson for making their property available and for all the hard work they did getting it ready for Wyldewode to use it.

Likewise, we want to thank everyone who worked the TNT demo. We hope you all had fun while representing the SCA, as well as making us look good! We made a lot of contacts again this year, some of whom have already come out to join us at fighter practice.

Northkeep made a good showing at Roundtable as well! We hope that everybody who went learned something & had a good time! Please use official officer email addresses when contacting officers about business matters (all baronial addresses follow the formula [office]@northkeep.ansteorra.org). Also, reports & waivers need to go in on time; if you have information that an officer needs for their report, please provide it promptly.

Because the kingdom has abundant funds, the Crown has implemented a program to provide loaner gear to groups in need. The first fifteen sets of heavy gear, sans helms, were given out at Roundtable. Gear for rapier is in the offing as well.

Because of scheduling issues at Roundtable, we will be scheduling a seneschal's & reeve's class within the next 45 days or so. If these are classes you need or want to take, please let us know asap, so we can consider your scheduling needs in making arrangements.

Autocrat bids for wInterkingdom are due by September Populace; bids for feast are due by Oct Populace. In addition, if you are interested in autocratting a kingdom event, please talk to us and/or the seneschal; we have a couple good sites and a kingdom seneschal who might be receptive to northern bids.

Any ideas for activities you think Northkeep should sponsor at Fortieth Year should be sent to the seneschal & ourselves as soon as possible. Please include a description of the activity, as well as an estimate of manpower & expenses required.

It's hot. Stay hydrated. Use sunscreen and bug spray. Travel safely.

Beorhtlic, Baron

Elisaveta, Baroness

Greetings Northkeep,

It has been a scorcher of a July here in Northkeep!

We saw important Kingdom events happen, such as Crown Tournament and Summer Round Table. Both of these events live streamed portions of the event so that those at home didn't miss out completely. If you missed it, they are still on the Kingdom of Ansteorra Facebook Group at <https://www.facebook.com/groups/78670722996/>. Congratulations to the Royal Heirs, Prince Miguel de Oporto and Princess Conal O'Riordain! Also, congratulations to our own Ainar Magnusson on his new position of Kingdom Seneschal. Vivat!

This month Northkeep held our annual demo at Tokyo in Tulsa. We had a great turn-out of our populace to work the booth and participate in the fighting demos. The interest generated was impressive, with sixty names added to the Northkeep Guestbook! We anticipate seeing some new faces at our Meetings and Fighter Practices, so if you see someone you don't recognize, be sure to say hello.

We have had some Northkeep Offices turn over. Many thanks to Lady Rachel de Narbonne for her faithful service as our Chronicler for the past few years, and please join me in welcoming Lady Brianna Talbot as our next Chronicler. We appreciate you both!

The office of Seneschal has also transitioned from Lord Alexandre Crane to me! Many thanks to Lord Alexandre for his years of service, and I am pleased to say that he will be staying on as my deputy. I look forward to serving the populace of Northkeep so that peace, harmony and prosperity may continue to grow in our Barony and our Cantons.

We currently have the following offices open for applications: Hospitaler, Webminister, Minister of Children, and Historian/Librarian. If you are interested in these offices please submit an application to Their Excellencies, the Regional or Kingdom officer you would report to, and me. The application can be found at <http://seneschal.ansteorra.org/forms/ApplicationJan08.pdf>, and there is also a link on every open officer's position on the Northkeep website. If you have any questions about the offices and the job involved please don't hesitate to ask.

I encourage you to gather your stories in the coming month! We always love to hear of your projects and experiences, both in our monthly populace meeting and as articles in the Nordic Saga.

À votre service,

Lady Jehanna de Montauban
