Unto the amazing populace of the Barony of Northkeep, Greetings!

We want to, once again, commend the people of Wyldewode who worked so hard to make Northern Border Skirmishes a success on the great job they did. Our thanks to everyone who helped make the event a success! If you were unable to attend, you have our condolences for the great activities, community and food that you missed out on.

Thank you also to those who went out to support the Med Faire demo in Keifer! We collected contact information for nine people, sent information home with a number more and made contacts with a number of people in the other groups participating.

It was great to see everyone who came out for the Principality polling at Populace. If you were unable to attend or were not yet sure of your opinion, you can still send a polling form (or the applicable information) to the regional seneschal at seneschal@northern.ansteorra.org through December 10th.

Finally, we have 65 orders for t-shirts at this time. If we do not reach our minimum order of 200, the price per shirt will, unfortunately, go up. If you want a shirt and have not contacted Lady Jehanna, please do so in the next couple of weeks. At that point, we will be evaluating how to proceed.

Be safe! Be well!

OFFICER REPORTS

Seneschal:

Greetings Northkeep,

Our Incipient Canton of Wyldewod's first event, Northern Border Skirmishes was quite a success. The premier Archery Champion for Wyldewode was declared to be Lord Cornelius Meriläinen, and the feast by Lord Art macRúadáin uíLugdach was stunningly copious (and delicious). Well done, Wyldewode!

Despite being in conflict with a northern region event, Northkeep's Demo at the Kiefer Medieval Faire had a lot of support from our Populace, with over 25 people showing up to fight, shoot, present, or play games! Thank you all so much! It was a lovely week-end, and we gained 14 more names for the Northkeep Guestbook. I look forward to see many of those people at our meetings/practices in the near future.

Lord Perrin de Beaujeu and Lady Brianna Talbot will be our Event Stewards for Winterkingdom, prepare your classes and stand by for more information to come forthwith! Our Feast Stewards will be Nalkah um al-Jafna, Sierra of Northkeep, and Charles the Gray of Mooneschadowe.

You have not missed your chance to Event or Feast Steward! Any and all interested parties should submit applications for Castellan Event Steward or Castellan Feast Bids ASAP. Don't delay!

Northkeep has added yet another opportunity for learning and skills advancement. We now have a Bardic Arts Night! The first meeting was held on October 22nd at the River Park at 96th & Riverside. 14 people were present, and we had a discussion on what bardic arts are in the SCA and the importance of proper attribution, learned an SCA song (Stand, Brother, Stand by Eleanor Fairchild/Truly Carmichael c.2004), learned a medieval song (The White Hen by Thomas Ravenscroft c.1609), and then had a chilly but fun bardic circle. The same format will be followed in future meetings, to be held every 2nd Monday. Watch the discussion list <http://lists.ansteorra.org/pipermail/northkeep-ansteorra.org/> or FB page <https://www.facebook.com/NorthkeepSCA/> for announcements!

À votre service,

Lady Jehanna de Montauban
