OFFICER REPORTS

Seneschal:

Greetings Northkeep!

We had a very busy, and successful, January. I was so pleased at how both Crown Tournament and Winterkingdom went, thanks to the event stewards and help of our wonderful Populace. The events were well-attended, the food plentiful, and the Northkeep coffers are the better for it! We also had the premier rollout of PayPal registration at Crown Tournament, and now that it has been tested it has been announced to the rest of the Kingdom as an option for events. Many thanks to Jutte von dem Burg for her fantastic work on that.

Lady Nalkah um Al-Jafnah has officially taken over as Northkeep Hospitaler, and Lady Rwsa Georgette is now Northkeep's Minister of Children. I am extremely happy to have them in these offices, let's make an extra effort to support them in welcoming all ages!

We are opening applications for Chronicler of Northkeep. Our Chronicler, Lady Brianna Talbot, has moved out of Northkeep. We are grateful for her service, and now look forward to seeing applications from those with a penchant for prose, a love of layouts, and an esteem for editing! The application deadline will be March 1, 2019.

It also appears that our Rapier Marshal is at the end of his term limit, so applications are now open for that office as well. We have a growing rapier community, this office is crucial! The deadline for that application will also be March 1, 2019.

Be sure to register for Gulf War soon! If you have missed the mailed registration deadline, which was January 31st, you can still pre-register online until February 15th! The link is <https://www.gulfwars.org/registration/>. Northkeep is allotted land area based on pre-registrations, so if you plan to camp with us PLEASE pre-register so we have sufficient space. Sir Geoffrey will be our Land Agent again this year, be sure and fill out his Northkeep Camping form after you pre-register. If you are on Facebook, join the group "Northkeep Gulf Wars Encampment 2019". I am making plans and gathering ideas for Northkeep's encampment, you won't want to miss it!

As a reminder, since hopefully everyone has seen the announcements already, names and devices have been generated for the Northern Region Principality! You can see the choices at <http://bit.do/principality>. On the FAQ page of that site there is a link to the poll where you can make your preferences known. Polling closes February 24th.

*À votre service,
Lady Jehanna de Montauban*
