-Need a current Baronial Populace photo! After discussion, we decided the Populace photo will be taken October 18<sup>th</sup>, location TBD. We want photographer to be in the pic as well, use timer? Possibilities include:

Gathering Place, Boston Avenue (stonework), park, WRCHS football field (for risers/stadium seating), cemetery with stonework keep (Memorial Park?), Botanical Gardens. Poll will be sent out to the list and on the FB Group.

-NK planned to put in a bid for the Vindheim Coronet Tourney, but the space we had planned on is now booked. Needs to be indoor/outdoor and accommodate 6 lyst fields and at least 600 people. Deadline is July 30<sup>th</sup>.

Discussed alternate venues: Creek Co. Fairground (already booked), Tulsa Co. Fairgrounds (have to buy all water/food from on site vendors), Girl Scout Camps Tall Chief (?), Post Oak Lodge (not big enough), Glenpool Conference Center (booked), Rogers State University (?), Meadow Lake Ranch (?), Hard Rock (\$\$\$), Cox Business Center (?), Mabee Center (booked).

**Masks not required for outdoor SCA activities. Indoor masking still required.**

Northkeep pavilions went to Crown and Eldern Hills, space feedback? Great to have a communal space, could use more hands when breaking down and loading out.

We want a Northkeep space at indoor events, too. How to delineate space indoors? Adalia pointed out that the portable walls can be set half-high to create a space without blocking sight-lines.
